## WELCOME

Dear New Student,

On behalf of URI Greek System, we would like to welcome you to the University. You have made a decision that starts an adventure that you will remember for a lifetime.

URI offers many things for students to become involved in. There are many clubs, organizations, athletic teams, intramural sports, academic activities, and of course the Greek System.

We hope that in reading this publication you will have a better knowledge of options that are available. We also hope that you consider becoming involved at the University of Rhode Island and that your adventure is the best it can be.

Sincerely,

## DON'T QUIT

When things go wrong, as they sometimes will,  
When the road you're trudging seems all up hill.  
When the funds are low and the debts are high.  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Reset, if you must but don't you quit.  
Life is queer with it's twists and turns,  
As everyone of us sometimes learns,  
And many a failure turns about  
When he might have won had he stuck it out;  
Don't give up, though the pace seems slow  
You might succeed with another blow.  
Often the goal is nearer than  
It seems to a faint and faltering man,  
Often the struggler has given up  
When he might have captured the victor's cup.  
And he learned too late, when the night slipped down,  
How close he was to the golden crown.  
Success failure turned inside out  
The silver tint of the clouds of doubt  
And you never can tell how close you are,  
It may be near when it seems afar,  
So stick to the fight when you're hardest hit  
It's when things seem worst that you mustn't quit.

it's not for everyone,  
but that's  
**[the point]**

Sure, Army ROTC isn't a piece of cake. After all, in here you'll push yourself. Test your limits. And in the process, develop skills that'll last a lifetime. Like how to think on your feet and be a good leader and decision maker. You could even get a scholarship. *Register today for an Army ROTC class.* Because you're not just like "everyone."

**ARMY ROTC** Unlike any other college course you can take.
